

Assignment #1 - Infographic Assignment

Overview

For this assignment, consider the information you read in the following:

- **Chapter 1 of the text required**
 - Beukelman, D., & Mirenda, P. (2013). *Augmentative and alternative communication: Supporting children and adults with complex communication needs* (4th ed.).
- **& the Excerpt uploaded in Module 1**
 - Beukelman, D., & Light, J. (2020). *Augmentative and alternative communication: Supporting children and adults with complex communication needs* (5th ed.).

Demonstrate your understanding of the information graphically.

How to Complete this Assignment

Create an **Infographic** to share your understanding and express the answer to one (or more) of the questions below:

1. What types of individuals should be considered for AAC supports?
2. Why are those who interact with people who rely on AAC referred to as communication partners rather than listeners?
3. How does the communication of needs and wants differ from the information transfer?
4. How does social closeness communication differ from social etiquette communication?
5. Share any information you have learnt thus far regarding AAC that will demonstrate your understanding.
